It is illegal to re-sell tickets in South Africa. The ONLY recognized official ticket vendor for Ed Sheeran in South Africa is Computicket. If you have bought a ticket via a different source (Viagogo, Gumtree, Facebook, OLX, Stubhub etc), your tickets may be invalid and you will not gain entry to the show. If you have paid over the face value price for your ticket, your ticket is not valid, and you will not gain entry to the show.
